

AMENDED IN SENATE APRIL 4, 2006

SENATE BILL

No. 1255

Introduced by Senator Cox

February 8, 2006

An act to amend Section 20114 of the Public Contract Code, relating to local agency contracts.

LEGISLATIVE COUNSEL'S DIGEST

SB 1255, as amended, Cox. Local agencies: contracts.

Exiting law permits the governing board of any school district to make repairs, alterations, additions, or painting, repainting, or decorating upon school buildings, repair or build apparatus or equipment, make improvements on the school grounds, erect new buildings, and perform maintenance by day labor, or by force account, whenever the total number of hours on the job does not exceed 350 hours. Existing law also permits the governing board of any school district having an average daily attendance of 35,000 or greater to take similar actions wherever the total numbers of hours on the job does not exceed 750 hours or whenever the total cost of material does not exceed \$21,000.

This bill would allow school districts having an average daily attendance of 34,999 or fewer to use this provision, *excluding the ability to erect new buildings*, without the total number of hours condition and would provide that school districts having an average daily attendance of 35,000 or greater may perform the same activities consistent with the current conditions of law.

Vote: majority. Appropriation: no. Fiscal committee: no.
State-mandated local program: no.

The people of the State of California do enact as follows:
